Claims 271, and 332 – 340 were pending in the present application. Applicant amends claim 271 and cancels claims 338 – 339. Applicant elects Species II, drawn to an epiretinal array. Claim 271, the only independent claim, is amended to include an array body suitable to be placed in an epiretinal location. All of the currently pending claims fall within Species II.

If for any reason the Examiner finds the application other than in condition for allowance, and the Examiner believes that a teleconference may be helpful, the Examiner is invited to call the undersigned attorney at (818) 883-5055 to discuss the steps necessary for placing the application in condition for allowance.
